DOBRO DOŠLI U PRIČU O OKUSU REGIJE.

WELCOME TO THE STORY OF REGIONAL FLAVOUR.

Meni nije samo popis jela - to je poziv na putovanje

kroz istarske krajolike, kroz kuhinje naših nona,

kroz okuse koje oblikuju more, zemlja, vjetar i ljudi.

Svaki tanjur je poglavlje – a vi birate kojim redom ćete ga čitati.

The menu is not just a list of dishes - it's an invitation to journey
through the Istrian landscape, through the kitchens of our grandmothers,
through the flavours shaped by sea, land, wind, and people.

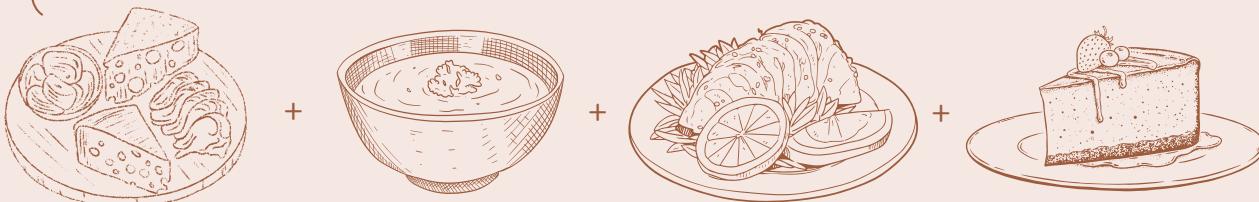

Each plate is a chapter – and you choose the order in which to read it.
